## Why do so many teachers use Spelling Made Easy?

- PEDIGREE.** Violet Brand was one of the original pioneers of multi-sensory structured phonics.
- INTEGRITY.** Violet developed Spelling Made Easy for her own use, based on her own research. Her work is still widely admired by her peers.
- PROVEN.** Many teachers continue to use Spelling Made Easy and publicly endorse the scheme.
- COMPLETE SCHEME** - comprehensive systematic phonics instruction - not limited to 44 synthetic phonics sounds - although these are covered.
- DYNAMIC.** Continues to evolve but remains true to the original word family lists and unique cumulative structure.

**VIOLET and KATY BRAND'S**

## FUN WITH PHONICS Worksheets A4 Photocopiable

**£24.00 per book**

**Ideal for use with A4 Revised Text Books**

*Fun with Phonics comprises four workbooks by Violet Brand and Katy Brand. The new A4 Revised Text Books are cross referenced to Fun with Phonics pages.*

- Feature passages for reading aloud, comprehension tests, word searches, and crosswords.
- Follow Spelling Made Easy sequence exactly with 2-5 word families per section.
- Ideal for reinforcement work at school or home.

*"The new Revised A4 Text Books are much easier to use within different levels of needs and I can also dip into each one to fill the phonetic gaps."*
